H. prefersed, 67, we Commercial's money article says the k market opened strong this morning, and at first call of the regular board prices were cally higher, and at the second call and after the board bowerer, there was a slight reaction, and prices were about 24 % cent lower. The inundation of the market is decidedly firm and a
majority of the street are committed for high price,
Government securities continue remarkable firm,
owing to the stand in foreign demand for 5-20 s,
and to operations connected with funding. There
was a decided scarcity of old 500s, and the purhave a decided scarcity of old 500s, and the pur-

was a decided converty of old week, and the purchase of about a quarter of a million for shipment appears to be sufficient in the present state of the market to put up the price \(\frac{1}{2} \) (a) g per cent. The money market exhibits continued ease.

The application of brokers for call loans are mot readily at 5 per cent, and sound surpluses are loaned at 4 per cent. Owing to the backward-continue for the full trade, there is still a very light are loaned at 4 per cent. Owing to the backward-ass of the fall trade, there is atill a very light apply of merchant's paper. Discounts of prime names range at 5006% per cent. Foreign exchange is dull, the supply of bills exceeds the demand; rates are weak. Gold con-tinues firm, apparently under the operations of a clique who are carrying out a scheme for produ-cing an extreme scarcity of coin for delivery. The rate on loans is 1-1001-18 per cent, per day.

New York Stock Market. [By Telegraph.]

New York Money Market. [By Telegraph.] New York, August 9.—The Post's money ar-ticle says the Gold market is strong, and coin re-mains scarce for delivery. Money very plentiful had market is extremely easy. The stock market

sed with spirit, and railroad shares advance . C. was quoted at 105%. Eric 65%, Hudse . Reading 112%. THE Office to INSURE LIFE in is the KNICKER BOCKER, with \$1,100,000 SCHPLUS.
